

Level Measurement and Water Quality Monitoring

Make your life easier and more efficient than ever

Level Measurement

Waste Level Detection

R718X

Wireless Ultrasonic Distance Sensor and Temperature Sensor

Range

0.2-3.5m

Angle

80°±15°

Toilet Paper Detection

R315LA

Wireless Proximity Sensor

Range

0-62cm

Angle

25°

Tank Level Detection

R718PE

Wireless Top-Mounted Ultrasonic Level Sensor

Range

0.25-8m

Angle

15°

Silo Level Measurement

R718PE02(D)

Wireless Lidar Material Level Detection Sensor

Range

0.1-12m / 25m

Angle

3°

Liquid Level Measurement

R718PA11

Wireless Water Level Sensor

Range

10m

Cable Length

12m

Tank Truck Level Measurement

R718PA22

Wireless Bottom-Mounted Ultrasonic Liquid Level Sensor

Range

0.08-2.2m

Resolution

≤1mm

Water Quality Monitoring

Wastewater PH Monitoring

R718PA8

Wireless PH Sensor

Resolution

0.01PH

Cable Length

5m

Aquaculture Turbidity Measurement

R718PA10

Wireless Turbidity Sensor

Range

0.1-1000 NTU

Resolution

0.1 NTU
